

James C. Prezzano, MD

Fayetteville Dermatology
James C. Prezzano, MD, PLLC
212 Highbridge St, Suite 2
Fayetteville, New York 13066

Education / Work History

Attending Dermatologist

Fayetteville Dermatology
Fayetteville, NY

Dermatology Resident

University of Rochester Medical Center
Rochester, New York

Dermatology Clinical Research Fellow

University of Rochester Medical Center, Department of Dermatology
Rochester, New York

Transitional Year Resident

Bassett Medical Center of Columbia University
Cooperstown, New York

Doctor of Medicine

SUNY Upstate Medical University
Syracuse, New York
Alpha Omega Alpha Honor Society, Junior Elect

Bachelor of Science

University of Florida
Gainesville, Florida
Cum Laude
Major: Chemistry, specialization in Biochemistry

Medical License

New York State Medical License, Full

Honors and Awards

- 2020 Best of Session Award, International Society for the Study of Vascular Anomalies
Capillary Malformation – Arteriovenous Malformation (CM-AVM2), A Report of 6 Cases
- 2020 Best of Session Award, American Society for Laser Medicine and Surgery
Patient-Reported Anxiety and Depression in Laser Treated Patients: An Academic Medical Center Experience
- 2014 Alpha Omega Alpha Honor Society, SUNY Upstate Medical University
Junior Elect
- 2012 Travel Award for Research Excellence, Pittsburgh International Lung Conference
Hematologic and Hepatic Markers Predict the Development of Acute Respiratory Distress Syndrome and Septic Shock
- 2012 Dean's Commendation for Academic Excellence, SUNY Upstate Medical University
Outstanding performance in first year basic science courses
- 2011 Phi Beta Kappa and Phi Kappa Phi Honor Societies, University of Florida

- 2013 **Prezzano J**, Farber R, Wang K. Intractable Hiccups Herald Inferior Wall STEMI. Poster Presentation at American College of Physicians, New York Chapter. November 2013. Rochester, NY.
- 2012 **Prezzano J**, Roy S, Gatto L, Emr B, Sadowitz B, Satalin J, Snyder K, Ghosh A, Nieman G. Hematologic and Hepatic Markers Predict the Development of Acute Respiratory Distress Syndrome and Septic Shock. Poster Presentation at the Pittsburgh International Lung Conference. October 2012. Pittsburgh, PA.

Clinical Trials and Research Experience

Prezzano JC, Soh JM, Scott GA, Brown MD, Lambert Smith F, Smoller BR, Mannava KA, Ibrahim SF.
Single-center, blinded trial evaluating concordance between Mohs micrographic surgeons and dermatopathologists in rating well-, moderately-, and poorly differentiated SCC.
Role: Co-principle investigator; 2019-2021.

Prezzano JC, Soh JM, Weinstein-Velez MC.
A randomized, blinded trial evaluating the safety and efficacy of a tripeptide/hexapeptide topical in combination with hybrid fractional laser for acne scarring. (ALASTIN Skincare).
Role: Sub-investigator; 2019-2021.

Prezzano JC, Wolf JR.
Single-center, prospective study evaluating patient-reported outcomes in a variety of dermatology clinics.
Role: Sub-investigator; 2018-2020.

Prezzano JC, Ibrahim SI.
Optimizing the RNA collection and extraction techniques from squamous cell carcinoma tissue. (Regeneron Pharmaceuticals).
Role: Sub-investigator, research coordinator; 2018-2019.

Prezzano JC, Ibrahim SF.
Development and validation of a gene expression assay to predict the risk of recurrence disease in cutaneous squamous cell carcinoma. (Castle Biosciences).
Role: Sub-investigator, research coordinator; 2017-2018.

Prezzano JC, Beck LA.
Phase III open label extension investigating dupilumab for patients aged 6 months to 18 years with moderate to severe atopic dermatitis. (Regeneron Pharmaceuticals and Sanofi).
Role: Sub-investigator; 2018.

Prezzano JC, Beck LA.
Phase IIb prospective, open label trial investigating dupilumab in adults with moderate to severe atopic dermatitis. (Regeneron Pharmaceuticals and Sanofi).
Role: Sub-investigator; 2016-2018.

Prezzano JC, Beck LA.
Phase IIa, double-blind, vehicle controlled, multicenter study to assess the safety and efficacy of PR022 topical gel in adults with mild to moderate atopic dermatitis. (Realm Therapeutics).
Role: Sub-investigator; 2018.

Prezzano JC, Beck LA.
Unblinded study examining bacterial flora and genetic analysis of patients with moderate to severe atopic dermatitis.
Role: Sub-investigator; 2016-2018.

Brown MD, Ibrahim SF.
Blinded, non-interventional validation study of assessments of aesthetic and facial function outcomes in patients with basal cell carcinoma on or within 2 cm of the vital facial structures. (Endpoint and Outcomes Research, Genentech).
Role: Research coordinator; 2017-2018.

Prezzano JC, Mercurio MG.

Phase IIa randomized, double blind, placebo controlled, multicenter study to evaluate PF-06651600 and PF-06700841 in subjects with moderate to severe alopecia areata. (Pfizer).

Role: Sub-investigator; 2017-2018.

Prezzano JC, Beck LA.

Phase IIb double blind, randomized, multicenter trial for Upadacitinib for the treatment of adults with moderate to severe atopic dermatitis. (AbbVie).

Role: Sub-investigator; 2017-2018.

Prezzano JC, Beck LA.

Phase III trial investigating dupilumab for patients aged 12-18 with moderate to severe atopic dermatitis. (Regeneron Pharmaceuticals and Sanofi).

Role: Sub-investigator; 2017-2018.

Prezzano JC, Beck LA.

Assessing the impact of bleach baths on itch, cutaneous inflammation, microbial flora and skin barrier function in adult atopic dermatitis subjects.

Role: Sub-investigator; 2016-2017.

Interests

Golf, hiking, swimming, skiing, spending time with my family, watching NCAA and NFL football.
